

# 2021 DIVERSITY VISA PROGRAM

October 2, 2019 – November 5, 2019

Read and follow the instructions at [travel.state.gov](https://travel.state.gov).

Only submit one entry per eligible person. If you enter more than once, you will be disqualified.

Your photo must have been taken in the last 6 months, or you will be disqualified.

List your current passport number, the country that issued it, and its expiration date. If you do not enter valid passport information, you will be disqualified.

Be honest. Fake documents could keep you from ever going to the United States.

Fill out the entry form yourself. It's free and so easy to do. Go to [dvlottery.state.gov](https://dvlottery.state.gov).

Avoid visa consultants who offer to improve your chances. They might add false information to your entry or charge you extremely high unnecessary fees later.

We do **NOT** work with consultants and they have **NO** special access.

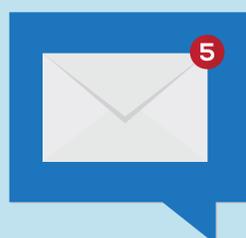

If you don't have a computer or scanner, you can use a smartphone. There are even free apps that will scan your entry photo so you can upload it to the website.

Don't let anyone keep the entry confirmation number from you. You need that number to check the results yourself.

Enter using your own email address, not anyone else's. Free email accounts can be set up from a computer or smartphone if you don't have one.

Never share your personal information with others. They can use it to steal your identity or to scam.
